AUTHOR STATEMENTS

Submission statement

The author(s) hereby declare(s) that the material presented in the submitted manuscript was not previously reported in any other published manuscript and that it is not under consideration for publication elsewhere.

Authorship

The author(s) declare(s) that the authorship is limited to the authors that gave substantial contributions to the conception, design or drafting of the study, to the acquisition/analysis/interpretation of data, to the final revision and/or final approval of the version to be submitted. All authors must approve the revisions as well as the final versions of the papers. The Corresponding Author is responsible for the compliance with the Journal authorship policy as well as for the final version for publication to be approved.

Animal and human rights

a) Does the submitted manuscript contain material involving the use of animal subjects?
 Yes No

If yes the Author/s declare(s) that the work was carried out in conformity to the laws of Italy and, if any, with the consent of institutional committees.

b) Does the submitted manuscript contain material involving human subjects?
 Yes No

If yes the Author/s declare(s) that the work was carried out in conformity to the laws of Italy and, if any, with the consent of institutional committees and give(s) evidence of informed consent.

Research Misconduct

The author(s) declare(s), according to the Journal policy, not to have committed plagiarism nor to have had a fraudulent conduct.

Copyright

The author(s) declare(s) to understand that the publication copyright will be transferred to the Journal Medicina nei Secoli.

Corrections

The author(s) hereby declare(s) that if he/she discovers an error and/or inaccuracy in his/her work, he/she will promptly inform the Editorial Board in order to let it take all necessary actions. MnS will make the corrections and retractions pointed out by the Corresponding Author.

CONFLICT OF INTEREST

The author(s) declare(s), according to ICMJE conflict of interest statement, that there is no conflict of interest regarding the publication of the article.

The author(s) declare(s), on behalf of all the other authors as well, the existence of financial connections (consultancies, ownership of shares, patents, etc.) that might constitute a potential conflict of interest in relation to the subject matter of the article. In case of existence of any of such financial connections, the authors concerned must briefly declare them providing thereof a clear and complete description. The aforesaid possible presence of conflict of interest must be declared in the space provided below.

The author(s) declare(s) that this article did not receive any form of financial support

The author(s) declare(s) that this article was financially supported by

The author(s) can also supply the names of potential referees (as well as their affiliations, e-mail addresses and areas of expertise) in the space provided below.
